Travel Insurance.

We urge you to take out comprehensive travel insurance – covering medical care, pre-existing medical conditions, emergency assistance, accidental disability and death, all force majeure events, theft and loss, cancellations and curtailments, personal liability, etc. – for the duration of your stay. This will give you peace of mind, and save unnecessary and often exorbitant costs associated with unforeseen circumstances

Please note: Most credit cards offer very limited travel insurance. It is advisable to arrange for additional travel insurance to cover all eventualities through your travel agent or insurance broker
